Re: SCP-Carlstadt Site

Dear Pam:

Enclosed for your information are some color graphics prepared by the PRPs, showing the distribution of various chemicals/classes of compounds with depth at the site. I have provided two sets of the graphics, one for you and one for Kevin.

In addition, the PRPs submitted some revised pages for the Feasibility Study; I have enclosed two sets of these revisions.

Also enclosed is the June/July Monthly Progress Report submitted by the PRPs.

Sincerely,

Janet Feldstein, Project Manager
